WODONGA

Whichever way you look at this property the returns are too good to miss.

Generously planned, enjoy three bedrooms plus sunroom or sleep out, large lounge, traditional formal dining, spacious kitchen, ducted cooling and gas heating.

With touches of timber sash windows, high ceilings from an era of quality builders, our home stands strong in an upcoming and rapidly growing part of Wodonga.

Offering a secure tenancy until June 2009 the benefits of being an owner are two fold.
