## BETHANGA

If your home buying "must haves" includes pristine presentation, 3 bedrooms all with built in robes, formal lounge & kitchen-meals, full bathroom with tastic, garage, sensational views, peace & quiet plus land just under 2 acres, spring fed dam then pick up the phone and call- we have got what your looking for. This home of approx 14 sqs was constructed about 15 years ago by noted Albury-Wodonga building company CNC Constructions. Low maintenance gardens are thriving with ample water from the spring fed dam. Bethanga is about 20 minutes from Albury & 28 minutes from Wodonga and has a pub, general store, post office, primary school and buses to larger secondary schools.
