It's hard to decide what the best feature of this well loved home is. There are literally too many to narrow down.

*Four great sized bedrooms, master with en-suite and walk in robe

*Two very separate living areas

*Spacious and practical kitchen with loads of preparation area

*Ducted heating and cooling

*All weather entertaining area for enjoyment all year around

A well designed house to capture natural light in every room. Ideally positioned to walk to bus stop, sporting grounds, selection of schools & Birralee shopping centre.
