

25 Richardsons Race Road Yackandandah VIC

2 1 4

Tucked away in the outskirts of Yackandandah township, this very cute weatherboard cottage will impress mum, and the massive 12m x 16m barn style shed will impress dad. On approx. 7 acres, the property features a central hallway, two double bedrooms, lounge and dining, gorgeous timber kitchen with pressed metal splash back, gas and combustion cooking. Outside are 3 paddocks, one with dam and a double carport (in case mum isn't allowed in the shed!)
