Have you ever dreamed of owning your own church?

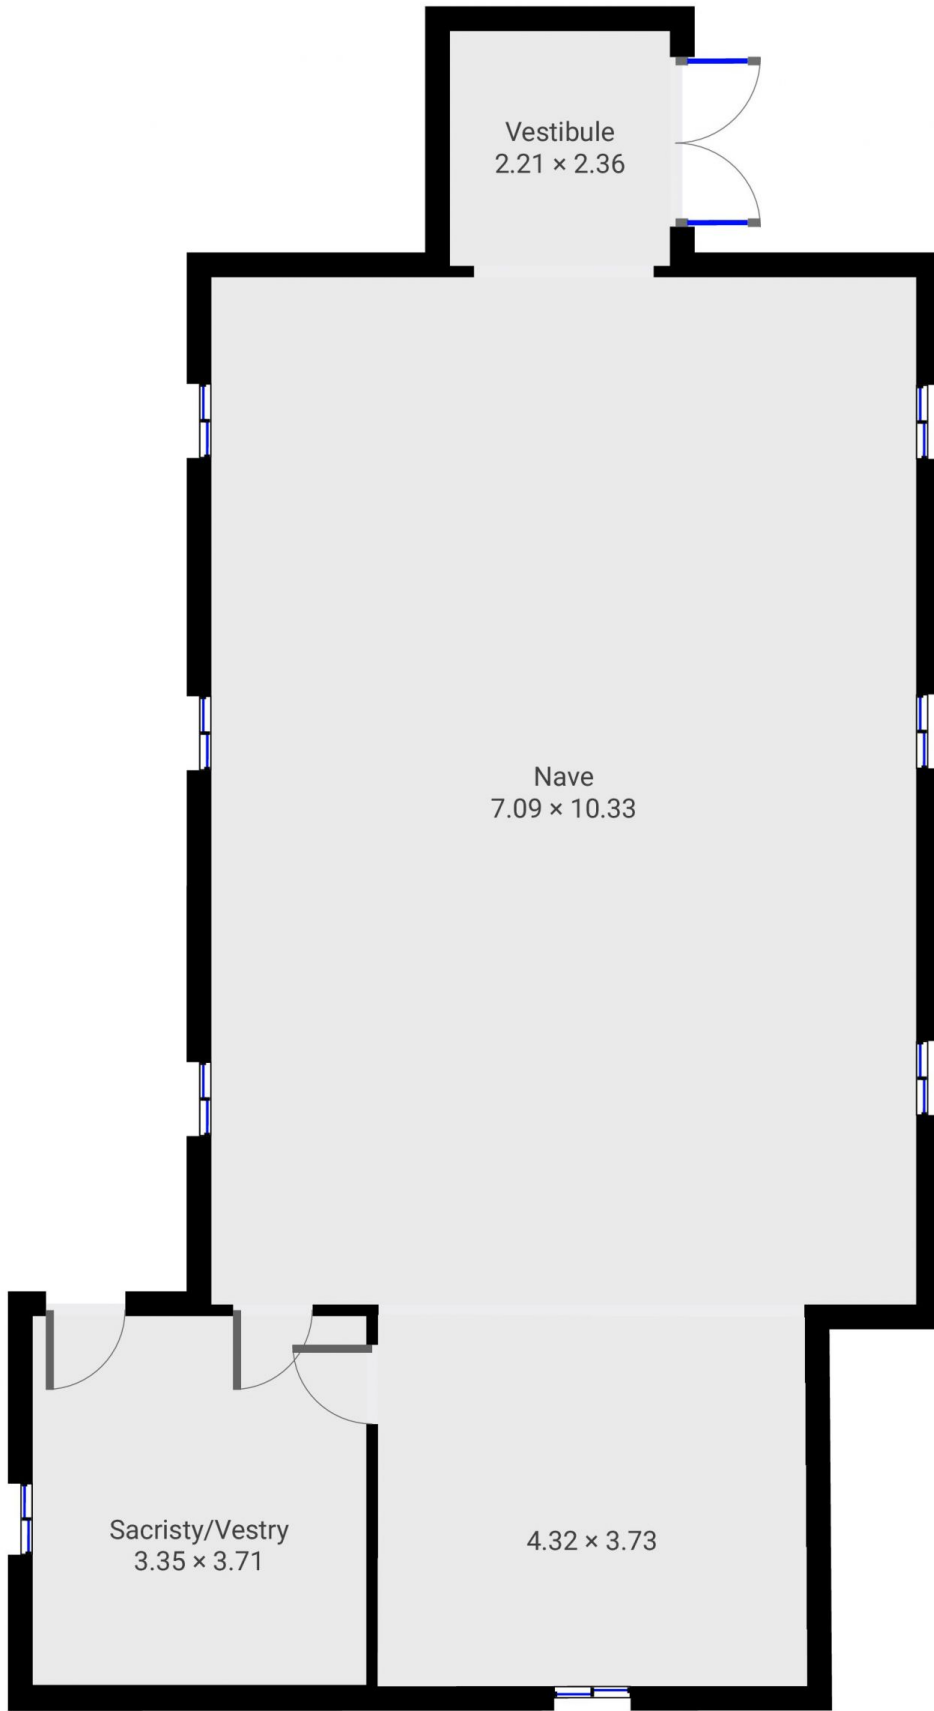

The Church known to locals as St. Francis Catholic Church has retained all its endearing features such as lofty cathedral ceilings, lancet windows and original weatherboard exterior.

With solid double wooden doors leading to the entrance of the church the interior initially flows into the vestibule, then onto the main nave with 4.7 metre ceiling heights, electric mounted radiators and 2 ceiling fans.

A raised altar at the far end of the church leads through to
